From our land to the world.

BANANAS · PLANTAINS · SUGARCANE · IN VITRO LAB

📍 Escuintla, Guatemala

WHO WE ARE

Farming on Guatemala's southern coast since 1986.

We are an agribusiness group with operations in Escuintla. We started with sugarcane, added a tissue-culture laboratory, and today we grow and export bananas and plantains under our Top Green brand.

Leadership

Teamwork

WHAT WE OFFER

Export-grade fruit, straight from the source.

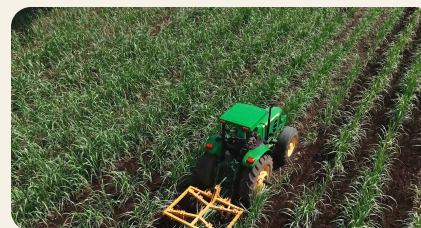

Bananas

Harvested and packed on our own farms, ready for export.

Plantains

Hand-selected and packed to export standards.

Sugarcane

Our roots: four decades supplying sugar mills.

In vitro laboratory

Banana and plantain plants grown from meristems in our Merilab laboratory.

Why choose us?

GLOBALG.A.P. certified

Integrated chain: from lab to container

Our own packing plant with quality control

Refrigerated container loading at origin

Solar energy and forest conservation

1,000+ team members, with medical services
